The Advanced class is for students who want to enhance their Reiki skills on a personal or professional level. The class involves discipline and dedication to working with the energy on **your own time** as well as class time. You will be asked to write a short guided meditation. We will work with the power, distance, mental/emotion and master symbols. We will work with Byosen scanning and understanding the levels of the Reiki energy. We will also work on enhancing your intuition and **trusting** the Reiki energy.

To Better Enhance your Class Time Please Explain Why You are Looking to Take This Class _____

Student Statement - I understand that this is an advanced class on Reiki energy work and that Reiki is a natural stress reduction and healing technique. I am responsible to actively participate in my own healing and success. This is through, class discussion, reading, exploration, self evaluation and practicing Reiki on myself and others daily.
